**Mini-track on Information Security Education and Foundational Research**

*All papers must be submitted by June 15, 2005 via the conference website ([www.hicss.hawaii.edu](http://www.hicss.hawaii.edu))*

The mini-track has two focuses: information security education, and fundamental research in information security. In the information security education area, we are interested in papers about

- information security curriculum design at the national and institutional levels
- innovative approaches to teaching information security
- evaluations of existing approaches
- emerging needs for information security curriculum
- innovative approaches to faculty development and capacity building
- challenges faced by institutions and programs.

In the fundamental research area, we are interested in papers describing new results in the theory and foundations of information security. We invite papers giving new analytic results, mathematical developments and proofs. The topics covered in this category include

- cryptography and cryptographic protocols
- mathematical analyses secure computing systems
- foundations of network security
- ethical and legal issues in information security
- the theoretical foundations of information security
- information security management policy and response.

## IMPORTANT DEADLINES

### Abstracts

- Authors may contact Minitrack Chairs for guidance and indication of appropriate content at anytime.

### June 15

- Authors submit full papers to the Peer Review System, following Author Instructions found on the HICSS web site ([www.hicss.hawaii.edu](http://www.hicss.hawaii.edu)). All papers will be submitted in double column publication format and limited to 10 pages including diagrams and references. Papers undergo a double-blind review.

### August 15

- Acceptance/Rejection notices are sent to Authors via the Peer Review System.

### September 15

#### New Date!

- Authors submit Final Version of papers following submission instructions on the Peer Review System web site. At least one author of each paper must register by this date with specific plans to attend the conference to present the paper. Early Registration fee \$525 applies.

### October 2

- General Registration fee \$575 applies until December 10.

### December 10

- Deadline to guarantee your hotel room reservation at conference rate.  
- Deadline to receive conference registration refund.  
- Late registration fee \$675 applies.

## INSTRUCTIONS FOR PAPER SUBMISSION

- HICSS papers must contain original material not previously published, nor currently submitted elsewhere.
- Consult the conference website ([www.hicss.hawaii.edu](http://www.hicss.hawaii.edu)) for the listing and description of Minitracks for HICSS-39.
- (optional) Contact the Minitrack Chair(s) by email for guidance and verification of appropriate content.
- Do not submit the manuscript to more than one Minitrack Chair. If unsure of which Minitrack is appropriate, submit abstract to the Track Chair for guidance.
- HICSS will conduct double-blind reviews of each submitted paper.
- Submit full paper according to detailed instructions found on the Peer Review System website.
